

Why Study in CANADA ?

- **Qualifications Valued Around the World.**
- **Affordable Education.**
- **Multicultural Society.**
- **Healthy and Safe Communities.**
- **Possibility of Paid Internships while studying.**
- **Post Study Work Visa & Abundant Job Opportunities after completion of studies.**
- **Possibility of Permanent Residency.**

PNP – Provincial Nominee Program – Most Provinces and Territories in Canada have an agreement with the Govt. of Canada that allows them to nominate immigrants who wish to settle in that province. Students studying in Canada may be eligible for faster Permanent Residency under a PNP program. For e.g. if a student studies for MBA from Thompson Rivers University or Masters in Administrative Sciences from Fairleigh Dickinson University, then he can apply for PR after the completion of the course.

Alberta, British Columbia, Manitoba, New Brunswick, Newfoundland and Labrador, Northwest Territories, Nova Scotia, Prince Edward Island, Saskatchewan and Yukon are the provinces which participate in the Provincial Nominee Program (PNP). It accelerates [the Permanent Resident](#) application process for skilled and/or experienced workers, experienced business persons and their family members who want to settle in these provinces permanently.

Parents can be sponsored to permanently reside in Canada. Besides a new category of visa **“Super Visa”** has been introduced for parents and grandparents which is valid for upto ten years and allows them to remain in Canada for upto 24 months at a time without the need for renewal of their status.

About Canada

Canada is the second largest country in the world after Russia spreading over an area of 99 lakh square kilometers and with a population of around 35 million.

Culture & Society

The beauty of Canada lies in its multiculturalism. Though the French and the English are more in number, [Canada is a land of Immigrants](#).

Economy

Canada being a member of G7 is among the [highest industrialized countries of the world](#). Further, its economy is highly diversified. Northern Canada is known for gas and oil exploration, Eastern Canada is known for agriculture, forestry and fisheries. The provinces of Ontario and Quebec are known for industries. [Canada is a world leader in Aerospace, Pharmaceuticals, Telecommunication and Biotechnology](#). Currency is Canadian Dollar. Almost 80% of the population of Canada lives within 250 kilometers of border with the U.S.

Education System in CANADA

Education in Canada is generally funded, provided and managed by Provincial Governments of Canada

- Universities.
- Community Colleges.

There are around **90 Universities** in Canada. Canada has 4 universities which are in the **top 100 world rankings**.

- ❖ Mc Gill University
- ❖ University of Toronto
- ❖ University of British Columbia
- ❖ University of Alberta

Apart from the above there are 10 more Universities of Canada which appear in the top 300 universities in world rankings.

- ❖ University of Montreal
- ❖ Queens University
- ❖ University of Western Ontario
- ❖ McMaster University
- ❖ University of Waterloo
- ❖ University of Calgary
- ❖ Dalhousie University
- ❖ University of Ottawa

What are the programs offered by Universities in Canada?

Offer Bachelors, Masters and Phd.

Masters and Phd Programs are available only in Universities.

Intakes

The main Intakes are September and January.

There is a limited May intake as well.

Community Colleges

There are 150 Community Colleges across Canada , We represent 16 Community Colleges in Canada (All under SPP).

What are the programs offered by Community Colleges in Canada?

Offer Diploma Certificate, Applied Degree programs, University Transfers.

Categorization Of Degrees

DOCTORAL OR PHD

A minimum of **2.5 years** of fulltime study for doctoral programs is required.

MASTERS

Masters degrees generally require at least **2 years** of fulltime studies including a thesis (a long essay based on original research), practicum or research paper.

PG DIPLOMA / GRADUATE CERTIFICATE

Generally are of **1 year** duration and exceptionally of two years as well.

UNDERGRADUATE

Undergraduate programs leading to a bachelors degree generally four years of fulltime study.

UG DIPLOMA (Post Secondary Diploma)

A UG Diploma generally comprises of **two or three years** of full time study.

Education In Canada

- **12 years** of full time school education for Bachelors.
- **16 years** of full time education for Masters in technical streams likes engineering, medicine, physiotherapy etc.
- **15 years** of education accepted for hospitality, business admin in community colleges and **MBA** in universities we represent.
- Grades range for Masters – Aggregate of minimum 65% required for Masters where as most of the high ranked universities require 70% and above.
- PG Diploma/ Diploma – minimum 50-55% in qualifying exams (Bachelors).
- Specific subject requirements like **Mathematics** may also exist for some programs.
- TOEFL/IELTS scores (TOEFL only for Universities minimum score 79 , IELTS compulsory for SPP Colleges.
- 6.0 with no band less than 5.5 for UG Diploma Programs and Bachelors Degree.
- 6.5 with no band less than 6.0 for PG Diploma and Masters Degree programs.

Work Permit for Students

Working on Campus: Initially **first six months** student can work **on campus only**.

Working off Campus: After six months, on completion of the first semester, subject to student getting an A or B Grade, is allowed to work off campus. If the student secures a C or D grade then he/she is not permitted to work off campus. To work off campus, one has to apply for a work permit. One cannot begin to work off campus until he has secured a **part time work permit**. The work permit authorizes a student to work up to 20 hours per week during regular academic sessions, and **full time during scheduled breaks** (for example, winter and summer holidays, and spring break).

Co-op & Internship Programmes : Many of the programs have inbuilt internships of one or two semesters which provide an opportunity for the student to get first hand exposure and experience in Industry relating to his or her area of study.

Post Study Work Visa

All international students who have graduated from a Canadian post-secondary institution are eligible for Post StudyWork Visa to gain valuable Canadian work experience. To be eligible for a Post StudyWork Visa, international students:

Must have studied full-time at least eight months preceding the completion of their program and should have graduated from :

- ⌚ A Public post-secondary educational institution (University or College); or
- ⌚ A Private post-secondary educational institution that operates under the same rules and regulations as public institutions, and receives at least 50 per cent of its financing for operations from government grants; or
- ⌚ A Canadian private educational institution authorized by provincial or territorial statute to confer degrees.
- ⌚ **Must apply for a work permit within 90 days** of receiving written confirmation from their academic institution that they have met the requirements of their program.
- ⌚ Must have completed and passed the program of study and received written notification that they are eligible to obtain their degree, diploma, or certificate.
- ⌚ Must have a valid study permit when applying for the work permit.
- ⌚ The Post Study Work Visa provides no restrictions on the type of employment and no requirement for a job offer.

1 year Study – 1 year extension

2 years Study – 3 years extension

SPP – Student Partners Program

- The Student Partners Program (SPP) is a pilot project designed and implemented in partnership between the Canadian visa offices in India and the Association of Canadian Community Colleges (ACCC).
- **Forty Two** of ACCC's member colleges have been involved in the pilot program which was launched in April 2009 to improve student recruitment outcomes.
- At this time, SPP is open to Indian and Chinese nationals only.
- Under this Program the Student applicant who holds the admission from SPP participating Institution without an English Program requirement **and also has Guaranteed Investment Certificate will be put on Fast Track and stands a very good chance of Visa Approval.**

Standardized Exams

IELTS/ TOEFL

Eligibility Criteria For IELTS Under SPP

For Courses after 12th Std i.e. Diplomas or Certificates – requirement of IELTS for visa is 6.0 with no band less than 5.5.

For Bachelors Degree, Post Graduate Diploma or Certificates requirement of **IELTS for visa** is also 6.0 with no band less than 5.5. However if the institution requires a superior score, that is 6.5 with no bands less than 6.0 or higher then it shall need to be complied with by the student irrespective of the lower basic visa requirement under SPP .

6) FDU, Vancouver, British Columbia	Master of Administrative Science.

Our Represented Institutions offering an Application Fee Waiver

- ⌚ NYIT
- ⌚ Fraser International College (Simon Fraser University)
- ⌚ International College of Manitoba (University Of Manitoba)
- ⌚ Confederation College
- ⌚ Algonquin College
- ⌚ Fanshawe College
- ⌚ Conestoga College
- ⌚ Cambrian College
- ⌚ Lambton College
- ⌚ St Clair College
- ⌚ Selkirk College

Points to remember for successful Offers and Visas

1. **Do not apply for students who do not meet the IELTS criteria.** Minimum 6.0 with no band less than 5.5 for UG and overall 6.5 with no band less than 6.0 for PG.
2. **Do not apply for students who have several failed courses, large gaps of 5 or more years** in studies (regardless of their work experience), and inconsistency in program choice with past studies. **Course choice must be relevant.**
3. Good academics of the students: We have seen **higher rate of visa approval for the students having 60%** and above throughout their academic qualifications.

4. Also we have noticed that if a student has low academics as well as has a gap of 2.5 years after completion of last studies, the case is weak and visa may be refused.

Sources of Finance

- Self funded -Parents.
- Loans from approved banks . Repayment commences one year after graduation and period for repayment allowed upto 12 years.
- Employment - Current immigration regulations permit students to work part-time 20 hours a week during term time and 40 hours a week during vacations.

Submitting a Winning Application

- ❖ Completed Application Form
- ❖ Academic Records
- ❖ Standardized Examination Scores
- ❖ Work Experience details if any
- ❖ Application Fees if applicable
- ❖ No SOP and Recommendation Letters required for Community Colleges

Counselling Tips/Interactive Discussion

- Identify the profile suitability for Canada.
- Do not accept students below 50% for Colleges and below 60% for Masters in the University.
- Do not accept students with long gaps in their Education and multiple backlogs.
- Check English Language ability.
- Inform the student about the benefits of studying in Canada as compared to other countries.
- **Most Important – Talk about PR Opportunity, Part time work permit, full time job opportunities.**
- Talk about the lesser investment and higher gains (Less fees).

Hot Courses in Canada

- Business
 - Hospitality, Travel and Tourism related courses
 - Practical Nursing
 - MBA
- Offers are made on first come first serve basis.
- Please take a note of Application deadlines for College and for SPP as well.

Features of the Universities and Colleges we represent in Canada

Dalhousie University

Location : Halifax, Nova Scotia

Campus : Studley campus, Carleton campus, Sexton campus

Established : 1818

Application Fee : \$70 CDN

Application Procedure : Online + Hard Copy

Academic Requirement : 55% in Graduation,

Intake : September, January

Salient Features of Dalhousie University

- World Ranked University.
- All 3 campuses in close proximity of each other with Sexton Campus situated in Downtown Halifax.
- 18,000 students studying at PG and UG level.
- 3,700 courses in over 180 degree programs.
- One of the lowest student-faculty ratios in Canada, just 14:1.
- Students learn from Dalhousie's nationally and internationally-recognized professors.

Program Offered - PG

M. Eng Internetworking

Note:

- There are many Masters Degrees available in Dalhousie University. However we represent the Institution for only the above mentioned single program.
- Student must have completed 16 years of education.
- It is a course that can be undertaken by students who have completed their Bachelors in any of the following fields like Computer Science, Computer Engineering, Industrial Engineering, Electrical Engineering, Physical Sciences or Mathematics.

Thompson Rivers University

Location : Kamloops, British Columbia.

Travel time from Vancouver : 3 hours 35 minutes by road (350 Kms).

Established : 1970

Application Fee : \$100 CDN

Application Procedure : Soft Copy

Academic Requirement : 60% in 12th Std for UG Programs and 55% in Bachelors for PG Programs

Intake : September, January, May

Salient Features of Thompson Rivers University

- Public, Government Accredited University.
- 100 Academic Programs.
- Tuition fees amount is almost equivalent to the tuition fees of the Community Colleges.
- Decision on application can be received in 10 to 15 working days.

Checklist of Documents Required for Study Permit

SPP - Student Partners Program:

- Original Passport.
- 2 passport sized photographs (Frame size 35mm width and 45mm height with a white background).
- Application Forms
- Letter of acceptance from the SPP institution showing planned start and end date of program and any conditions upon acceptance into the program.
- IELTS Test Results from within last 24 months with overall band not less than 6.0 bands with no bands less than 5.5.
- Photocopy of most recent education qualification along with all the individual mark sheets.
- Copy of Payment Receipts issued by Canadian Educational Institution. Pre-Payment of **First Semester fees or amount as mentioned in the offer letter** is mandatory.
- Copy of Guaranteed Investment Certificate of CAD \$ 10,000. **(Compulsory)**
- Copy of proof of completion of Medical Examination.
- Do not provide any additional documents unless requested to do so by a Visa Officer.

University/Generic

- Under the University and Generic Category, for proof of availability of funds to cover living expenses of first year in Canada, apart from the GIC option the student may alternatively also show an Education Loan from an Approved Bank. If the student's sponsor has personal funds or savings then the bank statements with the transaction history for at least 4 months should be included when filing for visa.
- Form No. 16 for salaried employees or Income Tax Return documents of the Sponsor should be included as well.

List of Approved Banks for Education Loan

Andhra Bank	State Bank of Hyderabad	Centurion Bank
Hongkong and Shanghai	Bank of Maharashtra	Nova Scotia Bank
South Indian Bank Ltd	Indusind Bank Ltd	Syndicate Bank
Banking Corporation	State Bank of Indore	Citibank
Allahabad Bank	Bank of Punjab Ltd	Corporation Bank

Standard Chartered Bank	State Bank of Mysore	UCO Bank
Axis Bank Ltd	BNP Paribas	Dena Bank
Indian Overseas Bank	Jammu & Kashmir Bank Ltd	Federal Bank Ltd
State Bank of India	State Bank of Patiala	Punjab National Bank
Bank of Baroda	Canara Bank	Union Bank of India
Indian Bank	Karnataka Bank Ltd	HDFC Bank Ltd
State Bank of Travancore	State Bank of Saurashtra	Punjab and Sind Bank
Bank of India	Central Bank of India	Vijaya Bank

GIC – Guaranteed Investment Certificate

According to Citizenship and Immigration Canada (CIC) guidelines under the Student Partners Program (SPP), students will require approximately CAD\$ 10,000 per year to cover living expenses. This requirement is fulfilled through the purchase of a GIC.

Q. Is it mandatory to purchase a GIC?

A. The Canadian High Commission advises as follows:

PREFERRED OPTION for proof of funds: Evidence of purchase of a Special Guaranteed Investment Certificate (GIC) from a participating Canadian financial institution (**Nova Scotia Bank**), for the amount of CAD\$ 10,000 to cover living expenses for first year in Canada and evidence of payment of advance tuition fee deposit. Under SPP it is compulsory to purchase GIC.

As an alternate option, for Non SPP cases only financial requirements can be fulfilled by submitting a copy of the receipt of the advance tuition fee paid AND a copy of sanction letter of Educational Loan from an Indian Chartered Bank equivalent to CAD\$10,000.

Process of obtaining GIC

Step 1

- Input the information requested in the GIC Application Form in the appropriate fields. (**Application Form must be TYPED to be accepted**)

Step 2

- Please REVIEW the completed Application Form to ensure accuracy and that no details are missing.

Step 3

- Press the Print button at the end of Page 3 of the form.

Step 4

- Sign the application form. Keep a copy of the Application form for your records.

Step 5

- Scan all documents in ONE SINGLE PDF File, in the following order:

I. Signed copy of the Scotia Bank Student GIC Program Application Form.

II. Copy of passport pages (first and last pages only duly **signed by student**).

III. Copy of acceptance letter from a Canadian educational institution **duly signed by student**.

Step 6 - Email the SINGLE PDF File to newaccount@scotiabank.com from the **student's email id only**.

Please specify “Scotiabank Student GIC Program” in the subject line of your email.

The student normally receives an automated mail acknowledging receipt of the application. Subsequently an encrypted email is sent to the student within 5 working days containing a log in id and password with which the student will need to log in to a new account through a link provided by Scotia bank.

The student will also get an Investment account number and will be provided with the Wire Transfer details from the bank. With the help of details provided the student will need to transfer CAD \$ 10100 from any Indian bank to Scotia Bank. The additional CAD \$100 is towards processing charges of Nova Scotia Bank. The student will get the GIC , within 5 working days via email. A copy of the GIC needs to be printed and attached in the visa file for the Canada Student Visa.

Once in Canada, the student needs to open a personal deposit account at a branch of Scotia Bank of his choice. CAD \$ 2000 will be initially transferred from the GIC into this deposit account followed by four subsequent instalments of similar amount at intervals of two months each to be used towards his living expenses.

Medical Examination

Student applying for a student visa needs to get a medical examination done by visiting one of the Designated Medical Practitioners in India . The medical examination cannot be performed by the personal family physician of the student. Under SPP it is mandatory to complete a medical examination prior to submission of the visa application. However under the University/Generic Category, it is advised to complete it in advance to hasten the visa processing time.

Documents to be carried to the Medical Test Venue:

- Four recent passport sized photographs with white background.
- Proper identification document such as passport.
- Offer letter from the University/College in Canada.
- The Medical Report form (IMM 1017E). Only required if not undergoing an Up-front medical exam. The visa office will send you this form.

Note :

- It is important that the doctor is informed about any previous or existing medical conditions. Processing the medical exam could take longer if not done so.
- **Medical results are valid for one year**

Useful Tips

- Always provide complete and correct information in the application.
- There are high chances of telephonic verifications, so it is mandatory to include the student's mobile number or any other alternate contact number of the student.
- All documents to be submitted should only be photocopies. Do not submit originals. Only the Medical Form is to be submitted in Original.
- A study plan or SOP is not required but if the course involves a change of field then one can give an explanation for the same of not more than one page.

- Apart from parents if the student has other sponsors including Canadian sponsors, then affidavit of support and proof of relationship is required.
- Students should ideally have 55% in his academics.
